

OFFICE OF THE CITY CLERK

REPORT

To The Honorable Mayor and City Council

DATE: July 22, 2000

REPORT NO.: 00-04(Rev.)

SUBJECT: PROPOSED AMENDMENTS TO THE SAN DIEGO CAMPAIGN
CONTROL ORDINANCE

ISSUE

During the past several years, the City Clerk has recognized the need to review and update the City's election code, Chapter II, Article 7 of the San Diego Municipal Code. The election code includes Division 29, the Campaign Control Ordinance, which was last reviewed and amended in 1994. At the City Council meeting of November 22, 1999, after reviewing and rejecting substantive amendments to the Campaign Control Ordinance, the City Clerk was directed to come back to the Council after the March election with housekeeping amendments to the ordinance. The Council also directed the creation of a Campaign Review Task Force, which is being addressed by the Rules Committee.

The Clerk has identified a number of areas where the Campaign Control Ordinance could be improved by addressing (a) changes in state law which impact local law; (b) processes that are not articulated in the code, or are not clearly articulated; and (c) problems in administration of the code. The Clerk's proposed update to the Campaign Control Ordinance will result in minimal change to its original intent, while appreciably simplifying its processes and clarifying its language.

CLERK'S RECOMMENDATION

Support the proposed amendments to the Campaign Control Ordinance and provide additional direction to the Clerk if desired.

DISCUSSION

Following direction given to the Clerk during the City Council meeting of November 22, 1999, and with input provided by interested parties, the Clerk is proposing a number of housekeeping amendments to the Campaign Control Ordinance, to enable candidates and campaign treasurers to comply more easily with the ordinance while maintaining the strength

of the original language. The more noteworthy of these housekeeping proposals are discussed below.

AMENDMENTS RELATED TO COMMITTEES

Suggested changes would raise the threshold for "committee" status from \$500 to \$1,000, thus making the Campaign Control Ordinance consistent with state law and eliminating repetitive filing requirements.

AMENDMENTS RELATED TO CONTRIBUTIONS

Suggested changes would make the Campaign Control Ordinance consistent with state law in that payments made by the occupant of a home or office, for costs related to any meeting or fund-raising event held in his or her home or office, are not considered to be a "contribution" provided that the total cost for the meeting or event is \$500 or less. Presently, if such an event were held for the purpose of obtaining contributions to a candidate or committee, it would be considered a "contribution" and subject to the \$250 contribution limit for candidate campaigns.

Additionally, suggested changes would provide a specific time-frame for a campaign treasurer to:

- (a) deposit a contribution into the campaign's bank account (extended from ten business days to 20 business days);
- (b) request all required information regarding a contributor, if that information was not provided at the time the contribution was made (ten days, compared with the present requirement that no contribution may be deposited if any of the required information is not provided at the time the contribution is made);
- (c) return a contribution to its contributor (extended from 15 business days to 25 business days after receipt of the contribution); and
- (d) report to the City Clerk a contribution which has been deposited in violation of the Campaign Control Ordinance (extended from five days to ten days from the date the violation was discovered).

AMENDMENTS RELATED TO LOANS

Suggested changes would:

(1) make any loan a contribution, with the exception of (a) a loan made under circumstances which make it clear the loan was not made for political purposes; and (b) a loan received from a commercial lending institution in the ordinary course of business. Any loan not covered by these two exceptions would be considered a contribution; and thus subject to contribution limits;

(2) enable the candidate or committee to disclose loans in the same time and manner as required by state law; and

(3) clarify that a candidate who loans personal funds to his or her committee may charge a rate of interest comparable to or less than that which would be charged by commercial lending institutions, or may choose to charge no interest whatsoever.

AMENDMENTS RELATED TO EXPENDITURES

Suggested changes would clarify how to determine the date of an expenditure; and how and when expenditures, including accrued expenses, must be disclosed. Disclosure is consistent with state law. Additionally, the amount allowed in a petty cash fund has been increased from \$40 to \$100 per week.

MISCELLANEOUS AMENDMENTS

Amendments were made to some sections solely for the purpose of clarifying language, making style changes, or correcting references. Definitions were added, deleted or clarified so that those who refer to the Campaign Control Ordinance might better understand its language.

Section 27.2925(f) has been deleted, as it may be read to require that multi-purpose committees physically segregate contributions and expenditures related to City candidates from all other contributions and expenditures. Such contributions and expenditures are already reported separately, and there is no need to physically separate them from other contributions and expenditures.

Added language makes lawful uses of campaign funds consistent with state law.

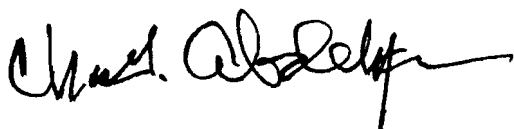

Because severability is covered elsewhere in the Municipal Code, the severability clause has been deleted as superfluous.

SUMMARY

In summary, the City Clerk is proposing a variety of amendments to the City's Campaign Control Ordinance. The amendments are primarily housekeeping in nature.

Should you have questions, please contact Deputy Director Joyce Lane at ext. 34024.

Sincerely,

Charles G. Abdelnour
City Clerk
